

Global Reforestation Fund

A commitment to a greener planet and empowered communities.

Mission Statement

To combat deforestation by planting 1 million trees annually in critical ecosystems, empowering local communities through sustainable practices. Our goal is to restore natural habitats, fight climate change, and create sustainable livelihoods.

Cause Categories

- Environment
- Community Development
- Sustainability
- Climate Action

Geographic Focus

- Amazon Rainforest, Brazil
- Southeast Asia (Mangrove Restoration)
- California, USA (Urban Greening)

Key Initiatives Summary

Our work is divided into three core pillars:

- Amazon Rainforest Restoration Project:** Focused on reforesting areas affected by logging and agriculture.
- Community-led Mangrove Planting Initiative:** Working with coastal communities in Southeast Asia to restore vital mangrove ecosystems.
- Urban Greening Program:** Partnering with cities in California to plant trees in urban areas, improving air quality and reducing heat island effects.

Impact and Outcomes

- **Impact in 2023:** We successfully reforested over 5,000 hectares of land, sequestering an estimated 10,000 tons of CO2.
- **Community Support:** Our programs supported over 500 local jobs in sustainable agroforestry and ecosystem management.
- **Story of Impact:** Maria, a single mother in our Brazil project area, was able to send her children to school for the first time thanks to the stable income from her work at our community nursery.

Financial Transparency Summary

We are deeply committed to financial transparency and ensuring your donation makes the maximum impact. Our fund allocation is as follows:

- **85%** of all donations go directly to our field programs (tree planting, community training).
- **10%** is allocated to essential operational and administrative costs.
- **5%** is used for fundraising and outreach to grow our support base and mission.

Governance and Leadership

The Global Reforestation Fund is led by **Dr. Jane Foster**, a renowned ecologist with over 20 years of field experience in conservation. Our independent board of directors, composed of experts in environmental science and finance, provides rigorous oversight to ensure our mission is executed effectively and ethically.

Vetting and Accreditation

We are proud to be recognized for our transparency and effectiveness by leading charity evaluators:

- **Charity Navigator:** 4-Star Rating
- **Guidestar:** Platinum Seal of Transparency
